# Summary

- *Summarizes the message of the class using some songs that are part of collection written with the purpose of singing to the Lord a new song, mostly in Spanish.*

**To the Virgin Mary**

# **O Preferred Virgin**

*(Puente, 2017c, 2021b, 2022)*

*To the Virgin of Guadalupe!*

O preferred Virgin  
queen of the heavens,  
faithful eternal promise  
a gift from God,  
in order to heal  
all the peoples,  
o divine Virgin  
with faith in love.

In the midst of evil  
dreaming with truths,  
and with the soul open  
wishing to prevail,  
I ask beloved Virgin  
o immaculate Mother,  
receive this tune  
and guide my steps.

Little beloved Virgin  
always fully in love,  
by your humble vows  
was born our good Lord:  
who taught us how to love  
with sap of your own,  
who quickly embraces us  
with a tender heart.

In this sacred day  
I bring you my chant,  
Mother of Guadalupe  
Virgin of Tepeyac,  
as it was with Juan Diego  
we reflect your enchantment,  
comes a wise day  
and brotherhood reigns.

# **The parable of a little earring**

*(Puente, 2018b)*

*What a lesson!*

I am telling you  
of a real story,  
it happened recently  
it was at home.

To a daughter, you see,  
it came down  
a little earring  
in a siphon.

She told me papa  
come bring it up,  
if I do lose it  
it will be bad.

She told me, look,  
it just slipped,  
if you pull it up  
I will be glad.

*Puente de Paz...*

After some time  
and due difficulty,  
I rotated the nuts  
it started to drip.

There came water  
smelling bad,  
with due skill  
it became slack.

The earring came, at last,  
by gravity,  
and a bunch of hair  
and a slimy flan.

What a mess, you see,  
my finger all around,  
o mighty filth  
the one I found.

It was filling in,  
as sometimes o me,  
little by little  
o o my God...

*Shanti Setú...*

**I better clean myself,  
I tell you o,  
if I don't do it  
I get o lost.**

Inside, I tell you,  
is where it is,  
if it builds up  
you miss the best.

**I better clean myself,  
I tell you o,  
if I don't do it  
I get o lost.**

Is hard work  
I know is grim,  
if no more ugly  
you smile with Him.

**I better clean myself,  
I tell you o,  
if I don't do it  
I get o lost.**

Saying I am sorry  
serving as belle,  
virtue, I tell you,  
heals as well.

*Puente de Paz...*

**I better clean myself,  
I tell you o,  
if I don't do it  
I get o lost.**

Make an appointment  
o do it well,  
If He forgives you  
you find yourself.

*Of course it is...*

**I better clean myself,  
I tell you o,  
if I don't do it  
I get o lost.**

O bunch of hair  
and slimy flan,  
appeared clean  
but pure scam.

**I better clean myself,  
I tell you o,  
if I don't do it  
I get o lost.**

It builds up  
little by little,  
the nasty kills  
let's not belittle.

*Shanti Setú...*

**I better clean myself,  
I tell you o,  
if I don't do it  
I get o lost.**

O thank you daddy  
how do I look?,  
o o my daughter  
you look so good.

**I better clean myself,  
I tell you o,  
if I don't do it  
I get o lost.**

O thank you daddy  
a kiss to you,  
it was not lost  
it is like new.

**I better clean myself,  
I tell you o,  
if I don't do it  
I get o lost.**

O clean listen  
be o smart,  
heal today  
your whole heart.

# **My dragonfly**

*(Puente, 2018c)*

*Well, how curious!  
A dragonfly on the cover,  
then he visited me  
and entered into my house...*

**A dragonfly  
flies flirting a dragonfly,  
a dragonfly  
settles in a stick the dragonfly.**

A winged verse from Eden  
iridescent in my garden,  
always came to visit  
adorning with her posh.

This singular friend  
well hoisted her hue,  
came quickly to rest  
pacing o my feel.

**A dragonfly  
flies flirting a dragonfly,  
a dragonfly  
settles in a stick the dragonfly.**

**A dragonfly  
entered the house the dragonfly,  
a dragonfly  
at the very top the dragonfly.**

An open door o found  
in a lovely party for my birth,  
many saw her o still  
up and up, woe to me.

Between arpeggios and bongo  
was faithful witness of the feast,  
the audience praised her  
it's good luck, o for sure.

**A dragonfly  
entered the house the dragonfly,  
a dragonfly  
at the very top the dragonfly.**

**A dragonfly  
came down gliding the dragonfly,  
a dragonfly  
to her attractor the dragonfly.**

Our friend decided,  
o very dazzled by a glow,  
to exchange her special view  
and go to find other profile.

She threw herself with no doubt  
to a cold floor lamp,  
and so they heard her coruscate  
and play her last role.

**A dragonfly  
came down gliding the dragonfly,  
a dragonfly  
to her attractor the dragonfly.**

**A dragonfly  
died toasted the dragonfly,  
a dragonfly  
by being confused my dragonfly.**

*A San Pedro burnt out!...*

*O caballito del diablo!...*

*O what bad luck!...*

*Puente de Paz...*

*With love...*

*There is a moral...*

Don't get yourself confused  
o going to a false light,  
o make no mistake  
And hold on to good love.

Don't get yourself confused  
o forgiving the holy cross,  
o make no mistake  
only one died for you.

*Shanti Setú a caballito...*

Don't get yourself confused  
o away from good light,  
o make no mistake  
and accept o your Lord.

Don't get yourself confused  
with imitation of fine cross,  
o make no mistake  
his sacrifice only saved.

*Listen well...*

**A dragonfly  
it was a good gift the dragonfly,  
a dragonfly  
for my birthday my dragonfly.**

**A dragonfly  
o good luck the dragonfly,  
a dragonfly  
for my friends my dragonfly.**

**A dragonfly  
surely godsend the dragonfly,  
a dragonfly  
for equilibrium my dragonfly.**

**A dragonfly  
sprouts from bell o the dragonfly,  
a dragonfly  
and always calls my dragonfly.**

*Puente de Paz...*

**A dragonfly**

don't get yourself confused,

**o my dragonfly**

o make no mistake.

**A dragonfly**

don't get yourself confused,

**o my dragonfly**

o make no mistake.

**A dragonfly**

don't get yourself confused,

**o my dragonfly**

o make no mistake.

**From the Vine and the branches**

# **The order of things**

*(Puente, 2020b)*

*The established order, with Him or not!*

If I walk away  
I lose my home,  
if I forget Him  
my soul dries up:  
the verses don't come  
I lose all my hope,  
doubts become a dent  
and grace goes away.

If He supports me  
His efficiency arrives,  
and if He grafts me  
I live up His balance:  
goodness o flowers  
mi confidence returns,  
the fruit o appears  
and love satisfies.

If I walk away  
His sap dries up,  
if I forget Him  
I remain mad:  
my dreams do not flow  
I lose all my hope,  
evil obstructs  
and grace goes away.

If He protects me  
I keep His acrobatics,  
and if He grafts me  
is the saintly alliance:  
the Father prunes me  
my confidence returns,  
the triune animates  
and love satisfies.

*Shanti Setú...*

Better o with Him  
always very close,  
it is sweet with Him  
if we are little saints:  
for only with Him  
we have true power,  
and His company  
provides all science.

Better o with Him  
o fully surrendered,  
it is sweet with Him  
if we are very pretty:  
for in complete faith  
we have true power,  
and what is positive  
provides all science.

*That is the way it is...*

And what is positive, the **cross**,  
endows full alliance.

# **Three crosses**

*(Puente, 2021a)*

*Shanti Setú, teaching...*

*Based on John 15...*

Wishing you o from my heart  
that you would have no complaint,  
I write this my gracious art  
for you to become a **saint**.

There is a grand healing act  
for everyone good advice,  
It's the best revealing pact  
seeing oneself in the light:  
full communion o grand part  
is all goodness and delight.

*It is true!*

There is real algorithm  
for kids o lovely design,  
o hear its mighty rhythm  
its calculus is benign.

There is holy, o my dove,  
**three crosses** in a full swing,  
I give them to you, my friend,  
so that you join and sing:  
one path only leads to love  
it is narrow and serene.

$$\lim_{x \rightarrow \infty} \left(1 + \frac{1}{x}\right)^x = e$$

**Ask for forgiveness listen  
cleanup every complaint.**

This is really required  
the law and its poem.

**Ask for forgiveness listen  
cleanup every complaint.**

O heal what's inside  
*reset* well your system.

**Ask for forgiveness listen  
cleanup every complaint.**

There is one solution  
spiral for the supper.

**Ask for forgiveness listen  
cleanup every complaint.**

In saintly dimension  
positive the scheme.

**Integrate o with all  
leaving nobody out.**

Loving o truly all  
joining a broken flag.

**Integrate o with all  
leaving nobody out.**

This summarizes all  
mandate that renovates.

**Integrate o with all  
leaving nobody out.**

O in the *exponential*  
is truthful your theorem.

**Integrate o with all  
leaving nobody out.**

And He is necessary  
alone you cannot be a gem.

**There is one who is the Vine  
gifted His sacrifice.**

He is number one  
the one who judges well.

1

**There is one who is the Vine  
gifted His sacrifice.**

The *prince of peace*  
ended up ugly hex.

**There is one who is the Vine  
gifted His sacrifice.**

Is a saint with no sin  
came back from the abyss.

**There is one who is the Vine  
gifted His sacrifice.**

He is meek and is by Him  
that you avoid hellish station.

**He calls you to surrender  
you find His cuddly rest.**

I you spare all evil  
you come to comprehend.

**He calls you to surrender  
you find His cuddly rest.**

By choosing o His *cross*  
the negative is bitter.

**He calls you to surrender  
you find His cuddly rest.**

You turn into a branch  
with sap from above.

**He calls you to surrender  
you find His cuddly rest.**

In one over x  
the limit is saintly.

$$\frac{1}{x}$$

**To heal your wound, my friend,  
you ought to stay with Him.**

For alone by your effort  
you lack the real breadth.

**To heal your wound, my friend,  
you ought to stay with Him.**

Is precious real dialog  
o pruning to become.

**To heal your wound, my friend,  
you ought to stay with Him.**

If you fulfill the mandates  
o you *remain* in Him.

**To heal your wound, my friend,  
you ought to stay with Him.**

In one over x       $\frac{1}{x} + 1$   
plus one o you see it well.

**And if you keep it up  
He gives you mighty strength.**

You could ask anything  
you triumph over Lucifer.

**And if you keep it up  
He gives you mighty strength.**

The cross is also exponent  
and you travel well with Him.

$$\left(1 + \frac{1}{x}\right)^x$$

**And if you keep it up  
He gives you mighty strength.**

O you love well everybody  
with the 9 of goodness, yes.

**And if you keep it up  
He gives you mighty strength.**

The *Spirit* fills you up  
purifying your life.

*e*

*Puente de Paz...*

**Praise God, praise God, praise God**

o in three +s it is explained,

**praise God, praise God, praise God**

if you don't get, what a disgrace.

**Praise God, praise God, praise God**

with no sacrament you are far away,

**praise God, praise God, praise God**

go to confession, is not that hard.

**Praise God, praise God, praise God**

the priest o heals you, it is his chart,

**praise God, praise God, praise God**

o pay attention, o do it right.

*Another Sacrament...*

**Praise God, praise God, praise God**  
all that is good is gift from high,  
**praise God, praise God, praise God**  
and with this one you go secure.

**Praise God, praise God, praise God**  
in a little piece is given a gift,  
**praise God, praise God, praise God**  
and if you eat it you are saved.

**Praise God, praise God, praise God**  
saintly life o everywhere,  
**praise God, praise God, praise God**  
with logarithm you are ruined.

$$\lim_{x \rightarrow \infty} \left(1 + \frac{1}{x}\right)^x = e$$

*Puente de Paz...*

*In three crosses...*

*Although one is a plus...*

*And if the cross goes to infinity...*

**Through Christ, with Him and in Him,  
O God almighty Father,  
in the unity of the Holy Spirit,  
all glory and honor is yours,  
or ever and ever,  
*Amen.***

**Better to avoid chaos**

# **Chaos no more**

*(Puente, 2019a)*

**Don't tell me no  
that you don't get it  
o no no no.**

**Don't tell me no  
chaos abates  
always His love.**

**Don't tell me no  
that you don't get it  
o no no no.**

**Don't tell me no  
chaos loses  
badly with love.**

It all starts like this  
with a subtle bypass,  
a foreign fruit you see  
appears to be so nice,  
the ego says, o yes,  
you traverse o the line,  
bite the dust and now  
is **chaos** and incline.

It is so common, yes,  
the devil and his shoot,  
destroying friendships  
negating o the root,  
the ego says, so what?,  
brave, but in ample pain,  
you go away in haste  
is **chaos** of distress.

It's always very sad  
dynamics of bad clan,  
a very little error  
grows quickly not by chance,  
the ego says, o no,  
I do not need **Him**,  
you play the dumb again  
is **chaos** in all truth.

The just payment, yes,  
expulsion, holy ban,  
the logistics confirms it  
in the origin the plan,  
the ego true at last  
learns wisdom and its charm  
you accept o good warmth  
and **chaos** flees far.

It all ends like this  
with a gentle stance,  
the verb gets hold of you  
it prevents you from more lies,  
the ego, lovely in peace,  
projects fraternity,  
you walk holding **His** hand  
no **chaos** never more.

Don't tell me no  
that you don't get it  
o no no no.

Don't tell me no  
**chaos** abates  
always **His** love.

Don't tell me no  
that you don't get it  
o no no no.

Don't tell me no  
**chaos** loses  
badly with love.

# **Option of life**

*(Puente, 2019b)*

There in the science of the complex  
the way to zero reveals the eternal.

Virtue is there, the truthful love:  
that narrow gate providing its tune.

Virtue o yes, the capable love:  
the true path calling to enchantment.

O bursts chaos in a new fig tree  
and at the summit you see hell.

In the bad doubts the light escapes:  
bitter the future, filled with crying.  
And by oscillating the voice is not heard:  
fractal without poetry missing so much.

**Options of life, my friend  
invitations always to wisdom.  
Virtue is there, the truthful love:  
that narrow gate providing its tune.  
Virtue o o yes, the capable love:  
the true path calling to enchantment.**

O by the road of the ill-fated ego  
and with many acts lacking guidance.  
It is dust there, thorns without peace:  
and the buds moan lifelessly into space.  
Plentiful dust, only thorns are there:  
and their attractors reveal the strange.

The active word well dries up the tree  
endows equilibrium in grand purgatory.  
And coming down, already well pruned:  
there is a little saint loving slowly.  
And obedient yes, calculating goes:  
a little santita part of the flock.

**Options of life, my friend  
invitations always to wisdom.  
Virtue is there, the truthful love:  
that narrow gate providing its tune.  
Virtue o o yes, the capable love:  
the true path calling to enchantment.**

**Lalá, lalá**  
is the narrow gate providing its tune.  
**Lalá, lalá**  
is the straight ramp o lovely preface...

**Wait for me and love me**

*(Puente, 2024)*

*O Mom, look I want to see you...*

**Wait for me**  
said a little one,  
**o love me**  
I am a loyal verse,  
**wait for me**  
in your sacred circle,  
**o love me**  
in order to live.

**Wait for me**  
repeated the little,  
**o love me**  
with a holy kiss,  
**wait for me**  
with all your passion,  
**o love me**  
I want to be born.

**Wait for me**  
o moaned o the little,  
**o love me**  
o mom, tend for me,  
**wait for me**  
a wink I give you,  
**o love me**  
until I do see.

A little one o was growing  
throbbled already with due faith,  
and gracefully shared signs  
timeless wonders more than cells.

A little one o was sleeping  
navigating at his level,  
and innocently was nourished  
wishing to get to surprise.

A little one o was living,  
waiting o on such a day,  
and surrounded by stanzas  
had assurance in being known.

**Wait for me**  
said a little one,  
**o love me**  
I am a loyal verse,  
**wait for me**  
in your sacred circle,  
**o love me**

**o love me**  
o mom, tend for me,  
**wait for me**  
a wink I give you,  
**o love me**  
until I do see.

A little one o was ready  
boy or girl for wholly good,  
and with bravery o held  
silhouette o everywhere.

A little one now living  
breathed o without a cord,  
and majestic with due flow  
o encouraged all along.

A little one o now growing  
protected and conqueror,  
and the mother certified  
benediction from above.

**Wait for me**  
said a little one,  
**o love me**  
I am a loyal verse,  
**wait for me**  
in your sacred circle,  
**o love me**  
in order to live.

Prepare yourself to party  
o poem with no equal,  
o there comes your party

Prepare yourself to party

Prepare yourself to party  
o use your heart and will,  
it arrives, o, your party

Prepare yourself to party  
o triumphant clarity,  
o there comes your party  
labeling us with unity.

Prepare yourself to party

# **Eternal party**

*(Puente, 2019c)*

*Went up the heaven and it is a preamble...*

*Shanti Setú...*

*Puente de Paz...*

Eternal party,  
o the one that counts,  
saintly rejoicing,  
dancing and singing.

Eternal party,  
o the one that counts,  
saintly rejoicing,  
dancing and singing.

In love you find it all:  
**you join the choir.**

With love nothing is missing:  
you dance tomorrow.

With truth you defeat darkness:  
**you sing securely.**

With truth and wisdom:  
you dance the day.

**Eternal party,  
o don't miss it,  
saintly rejoicing,  
dancing and singing.**

O only in Christ you find it all:  
**you join the choir.**

With his love nothing is missing:  
you dance tomorrow.

O only in Christ you defeat darkness:  
**you sing securely.**

With his truth and wisdom:  
you dance the day.

*Shanti Setú...*

*Puente de Paz...*

Without foolishness like Mary,  
an instant yes we go to heaven,  
going on high without startling,  
saintly rejoicing dancing and singing.

**Eternal party,  
o don't miss it,  
saintly rejoicing,  
dancing and singing.**

With due drive such as Mary,  
going forward,  
radiant verse, fragrant dance,  
brilliant party.

**Eternal party,  
o don't miss it,  
saintly rejoicing,  
dancing and singing.**

Perfect love with no excuses,  
to Him I exalt,  
rejoicing o like Mary,  
Mother of the Saint.

*Shanti Setú...*

**Eternal party,  
the one that counts,  
saintly rejoicing,  
oh oh oh oh. (2)**

**Eternal party,

saintly rejoicing,  
oh oh oh oh  
dancing and singing. (2)**

**Fragrant dance,  
brilliant party,  
constant choir,  
gigantic wedding:**

In the company o of Mary,  
the infant triumphed.

**Fragrant dance,  
brilliant party,  
constant choir,  
gigantic wedding:**

Dancing and singing...

**The trumpet shall sound  
in that final day,  
inviting the faithful  
to a party like no other...**

# **Bridge to love**

*(Puente, 2018d)*

*To Nathanael, a pure Israelite*

I was under the foliage  
sewing o my invocation,  
and a friend from that era  
shared his whole sanctification.

I followed as he insisted  
refraining o my whole reason,  
and in a surprising manner  
o my heart got all lit up.

We went towards the encounter  
In pursuit of a deep unction,  
and my the light in my center  
I got to know the saintly option.

I understood by his speech  
that he read o my intentions,  
and by an allegorical tree  
I knew that he was my savior.

I gave him all my fate  
in a heart-felt conversion,  
and with his potent verb  
he predicted a great vision.

I went through the path  
sharing o his lovely song,  
and with a sincere joy  
I gave away his healing.

Then came my lukewarmness:  
my rather painful desertion,  
and in the midst of my pain  
there it was his compassion.

I saw him go up on high  
hence confirming his prediction,  
and with fire he commanded  
he showed us o his protection.

Those were plentiful days  
of wonder and revelation,  
and we traveled all the world  
to proclaiming his redemption.

Today I contemplate gladly  
my martyrdom and vocation,  
and very moved I conclude  
in a bridge to love my extension.

# **My beloved rose**

*(Puente, 2017d)*

O Little bud of a beloved rose,  
will you open up with fantasy?  
will your aroma be fine poetry?  
will you be beautiful at daybreak?

For if you are my saintly desired  
flying soon will surely happen,  
the rains would be my best day  
o beautiful rose, my faithful sister.

O Little bud of a beloved rose,  
will you open up with fantasy?  
will your aroma be fine poetry?  
will you be beautiful at daybreak?

Now I see you, in good company  
in the middle of Her and Joy,  
so very straight, so very brave  
o beautiful rose of a good tomorrow.

O Little bud of a beloved rose,  
will you open up with fantasy?  
will your aroma be fine poetry?  
will you be beautiful at daybreak?

For if you are my secret signal  
towards my center I would arrive,  
the eternal chant would also provide  
o beautiful rose, open up my sister.

**Surely it opens, o my heart,  
surely it opens,  
as it is a fruit of love,  
surely it opens.**

At the end this rose  
reflects my being,  
the mystery lived  
dreaming above.

**Surely it opens, o my heart,  
surely it opens,  
as it is a fruit of love,  
surely it opens.**

At the end this verse  
reflects who I am,  
my grown hope  
a gift from the sun.

**Surely it opens, o my heart,  
surely it opens,  
as it is a fruit of love,  
surely it opens.**

At the end this rhyme  
reflects my love,  
believing it all  
sowing in accord.

**Surely it opens, o my heart,  
surely it opens,  
as it is a fruit of love,  
surely it opens.**

At the end this chant  
reflects to whom I go,  
my desired abode  
its repose and his voice.

# **A tender remembrance**

*(Puente, 2019d)*

Your flame settled O Lord  
like a tender remembrance,  
your verse settled O Lord  
and a bud is opening.

O nest always softly  
so that the joy be eternal,  
o nest quickly, like a Little kiss,  
that without your light, I get lost.

Come flame, don't leave,  
o prune me, O God,  
come sing your tune,  
don't escape, O my love,  
fill it all with your longing faith.

O flame guide all,  
all my love,  
be my good tomorrow,  
don't leave, stay,  
o sustenance of my sane life,  
o sustenance of my clear life!

# **The announced surprise**

*(Puente, 2018f)*

$$\lim_{x \rightarrow \infty} \left(1 + \frac{1}{x}\right)^x = e$$

*A 9 was celebrated,  
how to explain it?  
and the time of e  
simply came...*

It came braiding  
saintly accord,  
its fire granted  
a clear joy.

It came aiding  
as shiny guard,  
its light sowed  
o lovely plans.

It came pruning  
evil hypocrisy,  
its love bestowed  
o saintly company.

It came providing  
its fine guidance,  
its warmth mended  
all bad stanza.

**O saintly surprise  
sweet company. (6)**

It came filling  
with all courage,  
its faith provided  
joy as aurora.

It came animating  
towards utopia,  
its voice sounded  
like a full orchestra.

It came clarifying  
the rancid fraud,  
its being braided  
with pure accord.

It came nesting  
plentiful decor,  
its peace spoke  
and evil was gone.

# **Geometric songs**

# **Geometry**

*(Puente, 2023)*

*Two formulas about compassion:*

$$1 + 1 = 1$$

$$0 + 0 = 00$$

*A riddle I bring along,  
asking you which is your view:  
is zero plus zero, nothing  
and the sum of ones, two?*

If brothers enhance their deed  
truly heeding saintly call,  
what they ask, oh love concedes:  
adding 'nothings' garners all.

And if peers truly attune,  
choosing union as their song,  
in the forging of their tune,  
space among them is all gone.

The plus portrays the essence  
also seen in the times sign,  
geometry shows recompense  
that leads us to the sublime.

The question forever parting  
in love, I ask you anew  
is zero plus zero, nothing  
and the sum of ones, two?

*Shanti Setú...*

**One plus one, oh larger one  
zero plus zero, a brilliant whole,  
one plus one, oh clear unity  
zero plus zero, real community.**

Two little saints do not add naught,  
but the unending embrace of all,  
a real friendship does not ring two  
but faithful balance, rapture anew.

Zero plus zero does not yield nil  
but the eternal conducting drill,  
one plus one is never oh two  
oneness of love, actions in view.

The zero power, oh grand design  
one needs the zero for solid clan,  
nines in a dance, row all along  
loyal inflection, compassion lifelong.

**One plus one, oh larger one  
zero plus zero, a brilliant whole,  
one plus one, oh clear unity  
zero plus zero, real community.**

*Oh David Breaux  
brother of love,  
Karim Abou Najm  
I am forever your fan.*

**Use the hypotenuse**

*(Puente, 2018a)*

Do you remember  
the days at school?  
do you remember  
learning in earnest?

Do you remember  
painting all day long?  
do you remember  
playing o geometry?

do you remember  
ninety degree angles?  
do you remember  
the so-called legs?

Do you remember  
the hypotenuse and its distance?  
do you remember  
the theorem of your youth?

*iPythagoras!*

**Now we are going to explore  
for what else is that good for,  
now we are going to study  
its relation with us.**

**Now we are going to explore  
for what else is that good for,  
now we are going to study  
its relation with the truthful.**

*Puente de Paz...*

There are two paths  
it is not an invention,  
the one is a lie  
the other straight.

Long paths  
or straight travel,  
demanding in vain  
or giving nourishment.

A light consciousness  
or a heavy heart,  
plentiful life  
or time lost.

Going through the middle  
or by the legs,  
finding the root  
or missing the center.

**Look, this is all true,  
look, how life goes. (2)**

**Even if we doubt it,  
there is no other option,  
and even if it seems an exaggeration:  
we use either the hypotenuse  
or we go by the legs. (2)**

If your heart does not lie  
and understand there is a brother,  
If you do what is good  
and help everyone:  
**the hypotenuse.**

And if I become wrathful  
and my ego sends me to cut,  
if I accumulate rancor  
without forgiving from below:  
**the legs.**

If love guides your day  
in the humbleness of sharing,  
If you construct happiness  
In a constant new life:  
**the hypotenuse.**

And if I pretend to be a dummy  
with hypocritical consciousness,  
and if somebody's lives are excuse  
to grow my indifference:  
**the legs.**

*Isn't it true?*

*Then, corollary.*

*Coro, what?*

*Join the choir.*

*Shanti Setú...*

**O by the legs no,  
o by the legs no,  
o Lord,  
use the hypotenuse.**

**O by the legs no,  
o by the legs no,  
no, no, no,  
use the hypotenuse.**

To live in peace,  
to sow union,  
**o Lord,**  
**use the hypotenuse.**

To heal pain,  
to gestate love,  
**o Lord,**  
**use the hypotenuse.**

To laugh at last,  
to understand better,  
**o Lord,**  
**use the hypotenuse.**

*The hypotenuse is Christ  
He is the way to the Father,  
silhouette in cross defines him  
the hypotenuse is art.*

*The hypotenuse is Christ

vital power of zero:  
the hypotenuse and start.*

o by the legs no,  
o Lord,

Y = X,

use the hypotenuse.**

*Is it clear?*

**Another song for Mary**

# **The feasible hope**

*(Puente, 2020c)*

O illuminated woman  
pure poetry and decision,  
o Mary fully in love  
Saintly Mother of union,  
you well welcomed the angel  
he shared his own commission:  
you said yes at an instant  
o you gorgeous rose  
love in action.

Virgin ark of the covenant  
o Mary revelation,  
woman fountain of hope  
o Lupita my dear song,  
by the Holy Spirit  
you became a reason:  
it covered you with all power  
and came the enchantment  
a son that is God.

**Mary is the woman  
she gestated Him,  
she calls everywhere  
saintly is her mission.**

**She always in faith  
in love she believed,  
the Guadalupana  
Mother of the Lord.**

O immaculate queen  
you always outwitted who mocks,  
o my surrounded Lupita  
the dragon did not win one,  
remain o Saint near us  
we implore protection:  
visit us o Mother  
Juan Diego and the Rosary  
are your benediction.

Mary is the woman  
she gestated Him,  
she calls everywhere  
saintly is her mission.

She always in faith  
in love she believed,  
the Guadalupana  
Mother of the Lord.

**Miracle of love  
great the woman,  
tramples all evil  
Lucifer looses.**

**O truthful gift  
whiteness of faith,  
o Mexican Rose  
saw Him be born.**

**Faithful Spirit  
in Her sprouted,  
by Guadalupana  
love won.**
