

Le plus improbable

(Carlos E. Puente)

In the highest ugly heat
almost never a repeat
sad travel with no rest
ever close to the best

*sûrement misérable
oh détour incroyable
dynamique indésirable
étrange état exécration*

In the most hellish beat
a silly and vain defeat
also a spectacle disjoint
an epsilon from the point

In the real driving seat
surely a fantastic feat
a way to erected root
faithful relief and fruit

*également déplorable
périodicité interminable
obstination reprochable
oh hasard inévitable*

*chaudement guérissable
oh purgation ineffable
oh victoire admirable
oh miracle vénérable*

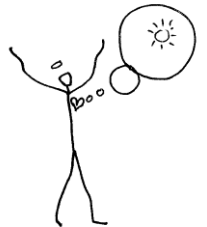

In the symbolic tree
thorns, dust in a spree
but in humble zero set
line cancels all debt

In the unbent choice
always a clear voice
an appointed up lift
deterministic a gift

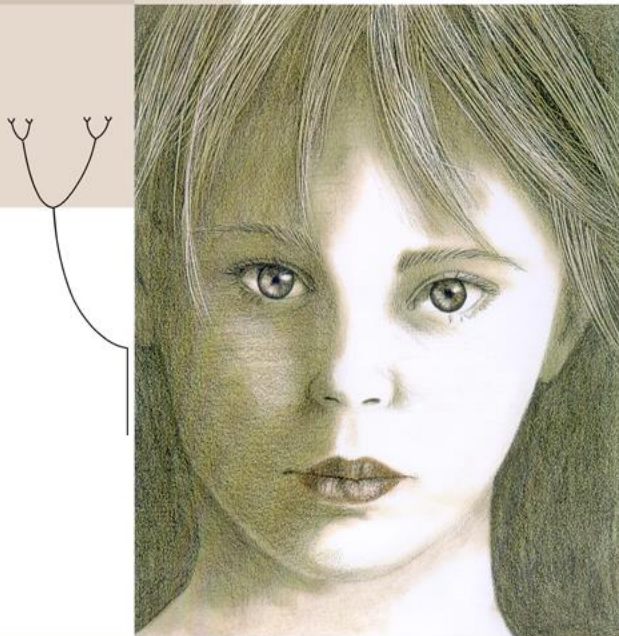

*égoïsme détectable
oh fractal pitoyable
oh origine inégalable
oh paradis inaltérable*

*oh l'amour véritable
oh poème formidable
miséricorde vérifiable
oh le plus improbable*
